WARNING: READ BEFORE PLAYING

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a computer screen, or while playing video games, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy.

If you, or anyone in your family, have an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video or computer game -- dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions -- IMMEDIATELY discontinue use and consult your physician before resuming play.

ACCESSING THE IN-GAME MANUAL

The instruction manual for this game is conveniently embedded within the game itself. To view the user manual, access the Pause Menu, go to Database, and select the User Manual option. Not only does the user manual make it quick and easy to get the answers you need, but it will never get worn, torn, or lost. Implementing this feature is just one step Ubisoft has taken to help save the Earth's natural resources.

TECHNICAL SUPPORT

If you experience difficulties playing your Ubisoft game, please contact our 24-hour online solution centre at <http://support.ubi.com> first.

Our Support team can be reached on **0871 664 1000** (national rate) between 11am and 8pm, Monday to Friday (excluding bank holidays).

PC Game:

If you are experiencing difficulties running your PC game, please contact our support teams before returning the game to a retailer. When calling us, please ensure you are situated at your PC with the game already installed so that we can troubleshoot for you.

Alternatively, if contacting us by webmail, please attach your operating system file (dxdiag) to your incident so that we are aware of your system specifications. If your screen returns to the desktop, freezes with jerky graphics or you receive error messages, we will need to see this file, as there may be a discrepancy between your operating system and the required game specifications.

To find your dxdiag file

Windows XP: To open your DirectXDiagnostic tool, go to the Start menu, choose Run, then type dxdiag in the white box and click OK. Click "Save information..." to save a text file with the necessary information.

Windows Vista: go to the Start menu and type dxdiag in the search bar to locate the file. Save this file to a convenient place on your PC so you can send it as an attachment when contacting us by webmail.

If you need any help with this procedure, please call our support team for assistance. One of our agents will be happy to assist you.

Faulty Game:

If you believe your game is faulty, please contact our support team before returning your product to the retailer.

Damaged Game:

If your game is damaged at purchase, please return to your retailer with a valid receipt for advice on replacement.

If your receipt has expired and you are within the 90-day warranty period, please contact the Ubisoft support team for verification.

Please note that we do not offer hints & tips at our technical support centre. These can usually be found free of charge on the Internet.

WARRANTY

Ubisoft guarantees to the original purchaser of this computer software product that the compact disc (CD)/cartridge supplied with this product shall not show any default during a normal use period of ninety (90) days from the invoiced date of purchase. In the first instance please return the faulty product to the point of purchase together with your valid receipt. If for any reason this is not possible, (and it is within 90 days of the purchase date), then the faulty compact discs/cartridges should be returned to Ubisoft at the below address, along with a dated receipt, location of purchase, a statement describing the fault, and all original packaging.

Address for returns:

Ubisoft, Chertsey Gate East, London Street, Chertsey, Surrey, United Kingdom, KT16 8AP

Where a CD key is required to access on-line game play, this cannot be reproduced or replaced. It is the responsibility of the original purchaser to keep this CD key secure. Lost, stolen or damaged CD keys cannot be replaced.
